We need you!

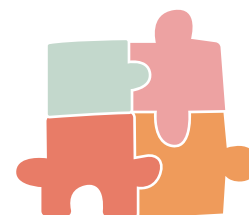

In order to offer an unforgettable first edition to our competitors, we are looking for partners. Whether in goods (supply of puzzles, prizes, etc.) or in cash, your support is important.

Key datas

Liffré, the city where the contest will take place, is a town 15 minutes from Rennes, with a population of 8,500, 40% of whom are under 16, and an age range of 30 to 45 with a strong CSP+ (upper socio-professionals) bias.

Since the COVID crisis, the puzzle market has been booming in France (+63% sales by 2020). Jigsaw puzzles have been democratized among younger people and those in their thirties and forties.

Festival

This 1st edition of **Fantastic Puzzle** is proposed by the Fenrir association, which has organized the Fenrir Festival in Liffré every year since 2021. This medieval fantasy festival, open to all, welcomed nearly 8,000 visitors at its 3rd edition in May 2024.

Our event is expected to attract many puzzle fans (60 children's duos, 60 adult solos, 60 junior duos, 60 adult duos and 20 expert duos). It's possible to take part in several events during the day.
